You mean the yellow/grey sky. Thanks.

BTW, I start teaching on Tuesday Jan 27 so beginning that day, Tuesday and Friday (I think) am will not work. So other than that I can certainly accommodate Jeffrey's schedule.

Hi [redacted]

Just arrived in Beijing last night. I am returning to NY on the night of the 18th so I guess we will have to wait until Jeffrey's next visit. If by chance he is in later next week (the week of the 19th) I am free other than the afternoon of the 23rd.

Hi [redacted]

No problem. FYI, tentatively I am leaving for China on January 11 and will return on the 18th, so other than the afternoon of January 23, I am available the week of January 19 if he is town.

Hi [redacted]

I hope you are enjoying the holidays.

Because of some family health issues, I have delayed my China trip. If Jeffrey is in New York the week of January 5, I am in town and available. Otherwise, I will let you know my travel dates once I reschedule.

Have a happy and healthy new year.
