Hey Rich,

I confirmed with my back office and transfers team, no issues so far with the DTC transfer request submitted 05/29/19. I also had them a note to clarify the quantity just to make sure, but per usual I will keep an eye on it for you now that I'm in the office today and tomorrow. The expectation is that they should get it moving this afternoon.

Feel free to let me know if you have any other questions around it. As a heads up, there is a tiny amount of cash still in the account as well (from interest that posted the same day the wire of the cash went out).

Thank you,
