

moments I had in Africa thanks  
to you. Until we meet next time  
and I can tell you all story's I  
hope you can see the joy in my  
eyes when you look at the photos.

Once again, thank you so much,  
your kindness and care means  
the world to me.

Ann

My first night in Africa!  
This photo is taken by self-timer  
the first night when I arrived  
in Tanzania (the east coast) before  
traveling to the wildlife area Selous  
where the safari was.
