Subject: ACAT Update [I]  
t:

Classification: For internal use only

Haze, Jeepers and Southern Trust have been sent. The originals are currently being medallion stamped and will be fedexed to arrive at JPM tomorrow morning.

Harry has asked that I hold off on Southern Financial until we have confirmation that all assets have been moved to the one account we are transferring. I should be able to send that out by Friday. Will let you know when that happens

Best,  
Amanda Kirby
