I just spoke with [REDACTED] - he will be in Florida on Thursday, and asked if he can present this at the following USPB MD Banker meeting.

Any other thoughts of success stories? I don't think the Lending ones are worth being presented.

In any case, we already have the Rel Sci demo and [REDACTED] Presentation in the Agenda; those plus the update on October performance and your update on the AWM ExCO and Q3 review with MF should be good use of the time of the meeting.

What do you think?

Let's do the [REDACTED] deal. It is a new KCP client with more than \$150 mm coming over from JPM.

Don't worry about [REDACTED], plenty to talk about at this point.
