

Thanks for the quick follow up. We will reach out to Teresa tomorrow afternoon if we don't hear back from her by then. Thanks again.

Regards,  
Keith

Hi Diana,

We are looking for some KYC information on a client. Do you know who can provide us with this information? We are being told an LS2 facility cannot be setup without these docs (which we need to set up an OTC collateral account). Apparently, Gideon Pinedo helped with this process in the past. Thanks.
