**Subject:** Prioritization of the true overdues

Hi Daphne

Based on the outcome of today's meeting with Global Management, I will be sending you the list of the 97 "true overdues" for the case managers to prioritize.

A re-vamp of the complete schedule will not be completed until there is clarity on the scope (e.g. exclusion of 2017 KYC cases approved in 2018) but for now we can look to start with the true overdues.

Perhaps you can mention this during tomorrow's mornings call (prioritization of the 97 and that the plan will be changing) so that the team is aware that there will be changes over the next several weeks.

Kind Regards

Adrienne
