Hello Megha and James,

We have found out today that two of our clients are on a red list which I was unaware of. Both of the clients in question we asked to be retained through Jane Varley and her team. Jitan says there are emails coming from you regarding the red list which I am not a part of.

1. Who is currently signing off from WM and how can I be included going forward in respect to KCP?
2. Can I see the full red list?
3. If clients are asked to be retained from Jane Varley, why are they on the red list? Do the teams not connect?
4. Tonell – please advise why it's on the red list. Feb 15th it showed up on the lavastorm list and we advised to retain.
5. Southern Financial – we asked to retain a while back and we are in the process of an NCA and a product extension. Why is this on the red list?

This is all very confusing and frustrating because it doesn't seem like the teams communicate with one another and they should.

Your help will be greatly appreciated.

Kind regards,

Nina Tona
