Will do. Spoke to Bella, she thinks they may have provided the incorrect account #. They can't get a hold of Maria to confirm the information and are thinking of recalling these funds and sending another wire. Bella thinks the # is in the IBAN which is correct but she's not sure what the #'s would be so we would be guessing at that as well.

Just heard from the client. Can you please let us know if the issue is the account #?

Kind regards,
