Rich - Just tried
calling you. Please
call Delores directly if
you have follow
through on this at
212-454-3300.

As team relayed, DB
isn't (nor are we in
touch with as agent) a
marker maker on a
full 100k shares. But,
Delores has market
color and guidance on
a market if you
portion out that size
and can help
facilitate.

Remember the market
closes in Paris at
11:30am.
