**CUSTOMER RISK ACKNOWLEDGMENT**

We, the undersigned, understand that options transactions involve a high degree of risk and offer no guarantee of gain or assurance against loss. Accordingly, we understand that prior to engaging in any option transaction, investors should review their present financial situation and determine whether it is advisable to incur the risks of loss associated with that particular investment. We also understand that investors should not buy an option unless they are able to sustain a total loss of the premium and transaction costs, that investors should not sell (write) a covered call option unless they are prepared to deliver the underlying security (or a security convertible, exchangeable, or exercisable into such underlying security) upon the exercise of the option and that investors should not sell (write) a put option or an uncovered call option, especially an index option, unless they are able to sustain a potentially unlimited loss. Further, we understand that we may not be able to close a position in the event that a secondary market in the option ceases to exist or the listing exchange restricts or suspends trading in the option.

WE CERTIFY THAT THE FOREGOING CLIENT INFORMATION IS ACCURATE AND WE ARE AWARE THAT THE INFORMATION IS RELIED ON BY DBSI IN SERVICING THE ACCOUNT. WE ALSO ACKNOWLEDGE RECEIPT OF A CURRENT COPY OF "CHARACTERISTICS AND RISKS OF STANDARDIZED OPTIONS" AND UNDERSTAND THE INFORMATION CONTAINED THEREIN. FURTHER, WE HAVE READ, UNDERSTAND AND AGREE TO BE BOUND BY THE TERMS AND PROVISIONS OF THE LISTED OPTIONS CLEARING AND CUSTODY ACCOUNT AGREEMENT.
