Hi Pema,

We are clearing on Point 2 & 3 however on point 1, Legal address which is given W-9 is not matching With KYC# address.

We need to put the legal address while Preparing EDF in MD3 for post ABR Approval. Can we move further with the same?

Thanks,
Navin

I apologize for the confusion with the docs and the KYC. I submitted the KYC with the information they had sent me via email. I was only made aware of the official name "Gratitude America, Ltd." and that the legal and mailing address were not the same when they sent me the filled and signed account opening docs. Please let me know how I can go about updating the KYC.

Thank you,
Amanda
