I've been working on SF as a start for west coast meetings 12/15. Early stages, but here is who I have reached out to:

Iconiq - RIA/multi-family office. Lots of FB and other tech execs. You may want to research Divesh Makan before we go. Have accepted meeting, need to set time

CFM - Omidyar/Yang family office.

Rothenberg ventures - growing venture capital firm. Could be good source of connections.

Osher Foundation - <http://www.osherfoundation.org/>. Used to hold too much WB stock, have had hedging discussions in the past

Thiel Capital - Peter Thiel's family office
Hillspire

Have you ever come across Hall Capital? Big alternatives RIA in SF. They were a target at CS, but I never met them.

If we are heading to LA, should try for Merage, SBE, Tutor and Henry Nicholas For Denver, I can try to get into Anschutz, but it has been a long time since I did work there.
