Thanks Rich.

No market on 100k that we're in touch with (DB or agent). Delores will work towards showing a smaller size to try to get a two-way in front of you.

Understand no trade.

Best,

Tazia

Rich –

Closing the loop on today's trading, ROTH FP closed at 28 EUR on 12,414 daily volume.

DB did trade small today, ~ 3,000 shares, split between High Touch and Low Touch which is usually the case for this name. The big International houses generally see Low Touch business, where the boutique houses dominate the High Touch. DB has good relationship with many of these boutique shops that work High Touch orders (as yours would be), so let us know if you'd like to discuss further per my prior note about working smaller size.

Speak Soon,

Tazia

Rich - Just tried calling you. Please call Delores directly if you have follow through on this at [REDACTED]

As team relayed, DB isn't (nor are we in touch with as agent) a marker maker on a full 100k shares. But, Delores has market color and guidance on a market if you portion out that size and can help facilitate.

Remember the market closes in Paris at 11:30am.

Hello Richard,

Sorry for the delayed response. I am one of the DB traders here in the US. I have been communicating with our team overseas on your inquiry.

As Tazia mentioned, Rothschild is a light trading name. Our DB Institutional desk has not had any natural flow in this stock in the past few months, but a few clients that have expressed some interest in the name so we have calls out to ascertain if we might be able to put together something.

The stock is currently 27.85 EUR x 27.95 EUR with only 4,000 shares that have traded. Average volume for this stock is 17,000 shares.

We will be back to shortly with more insight.

Best regards,

Delores Rubin

Working with our counterparts in Europe. Size / liquidity could be prohibitive for a market on that size but we will be back with color.

Thanks Rich,
Tazia

You saw it closed in France at 27.585 euros, on ~16k shares today. Call you now to discuss your aftermarket objectives on 100k – I'm concerned b/a is going to be wide.
