It is hard for me to comment without additional information. I am comforted by the fact that the case was dismissed but it would be helpful to know the following:

- (1) Why was this suit brought against Mr. Epstein? What was his connection to Hoffenberg?
- (2) What was told to you by Mr. Epstein or his representatives regarding the claims? Did he serve as a "consultant" to TFC?
- (3) Why were the claims dismissed?
- (4) Has Andrew reviewed the information and is he comfortable maintaining the relationship with Mr. Epstein and his related entities?

Hi Kim,

AML Compliance (Yoonsun) has requested that we receive your approval to move forward on all Southern Financial/Epstein KYC remediation's.

As per your discussions with Stew regarding the latest lawsuit against Jeffrey, please find the attached 'Notice of Dismissal' dated 10/5/18.

As this occurred after your approval on 10/2/17, please confirm again that we are comfortable moving forward.

Thank You,

Rich

Was this returned as an RDC alert – or part of the regular Lexis/Nexis due diligence?
