Classification: Confidential

Thanks Jeffrey, that's done at 102. Bought 2mm of the NWIDE 6 7/8 CoCo at 102.0 (6.41%). Will buy the GBP to fund, do you want to work a spot level or ok at market? (currently ~1.6735)

Jeffrey - Current offer (checked DB and away) on 2mm GBP of the Nationwide CoCo is 6.386% (102.125). I think we can get them down to the 102 level which is the 6.40% yield. Spoke with Nav, believe first leg in at 6.40% works. Do you agree, okay to bid there?

will call you to confirm as well
