Paul, thank you for your note. We just double checked and Gratitude America's formation docs lists JE as president and the entity's KYC lists JE as source of funds. Please complete the request form whenever possible -- Ari can help. Thank you, Daniel

Daniel, isn't Gratitude America a 501-3c? Epstein is not an officer of this and don't think was funded with his \$. I'll be back in NY Thursday. If we still need to do the external due diligence on this one let me know and I can do over the phone with Ari and you can submit. Thanks
