

LatAm was excluded because I believe the third party that supports the program does not have a significant presence in LatAm and events the clients can attend are not planned to take place in LatAm.

We will highlight those changes on the list.

Classification: Confidential

Quick question: I don't see any LatAm names, where are they included?

I went through the list and want to make the following changes:

Delete the following names: Kaiser, Templeton, Houchens, Dorrance, Anschutz, Brenninkmeijer, Deccan, RAWA, McGraw, West and Scripps

I would add: Scott Malkin

I'm concerned about getting people to the early Wed am VC with this storm coming in. Will reach out to Alexander to let him know we may need to reschedule the Americas call.

Chip / Haig,

Based on the file, there are 61 clients and 9 prospects identified as potential participants. See below the USBP Bankers / PCS brokers covering these relationships and number of clients / prospects.

Do you want to invite all the bankers / CAs below to the call on Wednesday?
