Jeffrey -

You're long 2k shs of AAPL at \$529 (presently ~\$538, up \$18,000 mtm). You've collected \$6.10/sh of dividends since you've owned it as well.

You've contemplated overwriting and monetizing the vol on the call side (ex: June 540 calls ~\$21.45 (22.19 implied vol). Spreadsheet below (per your prior request).
