(iii) Party A shall not be liable to Party B for any losses, costs, expenses, fees, charges, amounts, liabilities, claims, damages, penalties, interest, taxes, or fines associated with that Transaction, including the failure of that Transaction to achieve Party B's legal, regulatory, tax, business, investment, financial, or accounting objectives.

"(f) Upon the designation of any Early Termination Date, the party that is not the Defaulting Party or Affected Party ("X") may, without prior notice to the Defaulting or Affected Party ("Y"), set off any sum or obligation (whether or not arising under this Agreement, whether matured or unmatured, whether or not contingent and irrespective of the currency, place of payment or booking office of the sum or obligation) owed by Y to X or any Affiliate of X (the "X Set Off Amount") against any sum or obligation

(whether or not arising under this Agreement, whether matured or unmatured, whether or not contingent and irrespective of the currency, place of payment or booking office of the sum or obligation) owed by X or any Affiliate of X to Y (the "Y Set Off Amount"). X will give notice to the other party of any set off effected under this Section 6(f).

For this purpose, either the X Set Off Amount or the Y Set Off Amount (or the relevant portion of such set off amounts) may be converted by X into the currency in which the other set off amount is denominated at the rate of exchange at which X would be able, acting in a reasonable manner and in good faith, to purchase the relevant amount of such currency.

If a sum or obligation is unascertained, X may in good faith estimate that obligation and set-off in respect of the estimate, subject to the relevant party accounting to the other when the obligation is ascertained.

Nothing in this Section 6(f) shall be effective to create a charge or other security interest. This Section 6(f) shall be without prejudice and in addition to any right of set-off, combination of accounts, lien or other rights to which any party is at any time otherwise entitled (whether by operation of law, contract or otherwise)."

(f) Escrow. On any date on which both parties are required to make payments hereunder, either party may at its option and in its sole discretion notify the other party that payments on that date are to be made in escrow. In this case deposit of the payment due earlier on that date shall be made by 2:00 p.m. (local time at the place for the earlier payment if there is a time difference between the cities in which payments are to be made) on that date with an escrow agent selected by the party giving the notice and reasonably acceptable to the other party, accompanied by irrevocable payment instructions (i) to release the deposited payment to the intended recipient upon receipt by the escrow agent of the required deposit of the corresponding payment from the other party on the same date accompanied by irrevocable payment instructions to the same effect or (ii) if the required deposit of the corresponding payment is not made on that same date, to return the payment deposited to the party that paid it into escrow at such party's request. The party that elects to have payments made in escrow shall pay the costs of the escrow arrangements and shall cause those arrangements to provide that the intended recipient of the payment due to be deposited first shall be entitled to interest on that deposited payment for each day in the period of its deposit at the rate offered by the escrow agent for that day for overnight deposits in the relevant currency in the office where it holds that deposited payment (at 11:00 a.m. local time on that day) if that payment is not released by 5:00 p.m. local time on the date it is deposited for any reason other than the intended recipient's failure to make the escrow deposit it is required to make hereunder in a timely fashion.

(g) Additional Acknowledgments and Agreements of the Parties. Section 4 is hereby amended by adding the following new agreements:

(i) Waiver of Right to Trial by Jury. Each of the parties hereby irrevocably waives any and all right to a trial by jury with respect to any legal proceeding arising out of or relating to this Agreement or any Transaction.

(iii) Bankruptcy Code. Without limiting the applicability if any, of any other provision of the U.S. Bankruptcy Code as amended (the "Bankruptcy Code") (including without limitation Sections 362, 546, 556, and 560 thereof and the applicable definitions in Section 101 thereof), the parties acknowledge and agree that all Transactions entered into hereunder will constitute "forward contracts" or "swap agreements" as defined in Section 101 of the Bankruptcy Code or "commodity contracts" as defined in Section 761 of the Bankruptcy Code, that this Agreement is a "master netting agreement" as defined in Section 101 of the Bankruptcy Code, that the rights of the parties under Section 6 of this Agreement will constitute contractual rights to liquidate Transactions, that any margin or collateral provided under any margin, collateral, security, pledge, or similar agreement related hereto will constitute a "margin payment" as defined in Section 101 of the Bankruptcy Code, and that the parties are entitled to the rights under, and protections afforded by, Sections 362, 546, 556, and 560 of the Bankruptcy Code.

(h) Amendments. Section 9(b) is modified by the deletion of the words "or confirmed by an exchange of telexes or by an exchange of electronic messages on an electronic messaging system".

(II) a Transaction (as that term is defined in the 2005 ISDA Commodity Definitions (published by ISDA) (the "2005 Commodity Definitions")) will be deemed to incorporate the 2005 Commodity Definitions into the Confirmation thereof

and each transaction of a type described in (I) and (II) will be a Transaction for the purpose of this Agreement whether or not a Confirmation of such a Transaction refers to this Agreement and irrespective of any reference in a Confirmation to the "International Bullion Master Agreement", the "LBMA", or the "IBMA", provided however, if a confirmation of any such transaction expressly states that another master agreement governs, such

transaction will not be a Transaction for the purpose of this Agreement. For the avoidance of doubt, FX Transaction(s) include foreign exchange swap(s) but not cross currency interest rate swap(s).

(ii) Section 1(b) of this Agreement is amended by adding the following proviso at the end thereof: "provided, however, that with respect to (i) an FX Transaction (other than one that is identified as non-deliverable in the relevant Confirmation) and (ii) a Transaction (which is confirmed using an electronic messaging system) (as each such transaction type is defined in this provision of the Schedule to this Agreement) this Agreement will prevail unless the relevant Confirmation specifically references this Agreement."
