Commodities Trader [I]

Classification: For internal use only

Jeffrey –

Meet Matt O'Connor, MD in Commodities Sales ([REDACTED]), but best to
access him on Bbg). We are plugging you in directly to Matt to resolve your
frustrations related to timing and information. Attached is a Bloomberg OMON

screen, options on WTI futures with the spectrum of strikes and tenors. I believe this is what you want. If so, we can send this at anytime. If not, please let us know the format that you are looking for. As you know, DB OTC bid/ask will vary from this based on firm inputs for vol/skew/etc. Matt and team will provide those specific markets for you directly; there isn't a spreadsheet output.

Look forward to discussing with you,

Tazia

(See attached file: CLM4 OMON Screen 4.1.14.xml)
