JJ - Rich Kahn just called us back. He would like to proceed with opening a Pershing account on the KCP desk for Gratitude to hold the GILD stock. Can you please send over all of the relevant KYC docs you have on your end as it relates to this particular entity?

We would like to take a look before we send Rich a list of documentation required to open the new acct.

Thank you,  
Vahe

Jeffrey would like to transfer 100,000 of Gilead Stock (approximately 1050-1100 shares) to Gratitude

I believe we only have checking and savings account for Gratitude at DB  
Please advise what we need to do to make this happen ASAP Thank you
