Ok, I have gotten the spreadsheet from Ana so that maybe you can take a quick look before she and Haig meet in case you want me to pass along input. I have moved Cheryl to 4:30 and am about to reaching out to Dierdre. They do have an MD Women's lunch today, so my guess is that she is unable to do 12:30. I can see if she is still in town tomorrow. What time do you think you will be in the office tomorrow?

Kind regards,
Samantha Harmon

Ok. I had just moved Daniel Kay to 4:30, but I will move him to Friday after 2. I will work out Cheryl and Deirdre, but I believe they both have a lunch event today. I will double check.

Kind regards,
Samantha Harmon

I'm in by 11. Let's move Cheryl to 12:30 or 4:30 and then Deidre to whatever time Cheryl can't do. I am having drinks with Paul Barrett at 5:30. Have to cancel Mark G for Friday and let's move Markella to that day. Leaving the office at noon on Friday, free on cell after 2 to do calls.

I see you plan to connect with Todd at 1 today. Should I reschedule Markella? Will you be in by 10? That's the only time I can see to reschedule

to. Tomorrow is packed and so is Friday, unless I reschedule to next week.
