Epstein is NOT coming in for VA. Only Hart and we have managed expectations.

To be determined on PGRE.

The allocation is too small for another set of clients to carve off the top, unless Epstein is not indicating for this deal.

Greetings, Haig. Have you decided about Hart and their order for VA? That deal is tonight.

Also, they have an IOI in for PGRE of 50K. That deal is next week, and we are only 5%. However, that deal is 131mm shares. Mike, do you have any sense of what we can see there?

Best regards, --Josh

Let me rephrase: is this a different client than the one for whom we have previously provided this "off the top" allocation for?

Who covers the client?

Thanks

This is not a new client, though not a regular retail deal participant so a new name on this exchange. Descrip: >\$2bn family office, RE and operating businesses in Europe, US, and Australia. Work with DB globally. Hart Acquisitions is a KCP-Americas entity. Given the extremely low allocation to retail, we will manage expectations accordingly.

Greetings, Haig. Please see below. Would you give a KCP allocation off the top for Hart below? Mike I. thinks we see no more than 600k shares in Wealth Management. It may well be lower. 50 bps of 600k shares is 3000 shares. What do you want to do? Thanks, Haig. Best regards,--Josh

Josh – My regrets for the late notice. Hart (Eric Watson's Family Office Entity, Private Banker = Mark Gonzolez) is indicating for 30k shares of VA through KCP.

Thanks
