Important information about your Business Checking Account Statements

Starting November 14, 2011, we are making it easier to track your business ATM and debit card transactions. On your deposit statement, look for a new section called "ATM and Debit Card Summary" to see all of your ATM and debit card transactions organized by each authorized cardholder.

Please note that any ATM or debit card transactions that post to your account before November 14, 2011 will not show under this new section. The "ATM and Debit Card Withdrawals" section will not change and will continue to display all of your ATM and debit card transactions in date order.

If you have any questions, please contact your J.P. Morgan team.
