You will see more information about your ATM deposits on your account statement. Tracking your ATM deposits will be even easier beginning November 12, 2012. In the Deposits and Additions section of your statement, you will see the date you made your deposit (in addition to the date we posted it to your account), and the last four digits of the card number for each ATM deposit. In the ATM & Debit Card Summary section, ATM and debit card transactions will be totaled by card number. This will help you track activity by cardholder. Please note that any ATM deposit transactions that post to your account before November 12, 2012, will not show this additional information and will not be included in the ATM & Debit Card Summary section at the end of your statement. We value you as a Chase customer. If you have questions, please call us at the number on this statement or visit your nearest branch.
