

Ok I understand. If you don't want to pursue this any further, I understand. That's fine. In terms of the gifts, you can keep the dress and the Jimmy Choos but I would like to have bag the handbag I bought a few days ago. Do you still have the box for that?? I can send someone this wk to pick it up from you. Please lmk

Ok thanks. I really appreciate that

Lmk when you're home and I'll send someone

No problem, send
