i suggst you stop worrying about what other people think your frustration has formed your own personal prison , which has a door that you can open and walk out of but you stay and complain. . the prison door is open time to be free

09:54:47 am

J

I know. Thats what i am doing. People will always talk bad and good, i just want to focus on myself.

11:05:01 am

Thank you 😊

11:05:12 am

Did you ask [REDACTED] to contact me already ?

11:08:28 am

KS

jeevacation

yes, she has tried to email you at the address on your resume

11:09:41 am

focusing on yourself does no good without the proper person holding up the light for you to see .

11:10:12 am

dont focus on who you are but who you believe you can be. and dont give up

11:10:43 am

if you want more lessons on quantum go to kahn academy web site

11:11:30 am

jeevacation

you did not send me the screen shots of blog as you said you would

11:13:33 am

J

There is not so many people who can hold the light and guide the proper way to be honest. Its very exceptional people , parents are one of them but they were never around but anyway.

11:14:05 am

I never do give up 😊

11:14:12 am

KS

jeevacation

parents can never do it. they love you too much to see you struggle which a more disinterested person can do.

11:14:40 am

J

Then who does ?

11:15:15 am

I will send you the texts that i am working on. I will send screen shots from my ipad to here.

either a professional. , professor . or older uncle. boss. , boyfriend. having a boyfriend your own age. is silly, boys your age are immaature and need a mother rahter than neing able to teach you what you need to know in life

11:17:23 am

freud said that women your age need a man that is strong enough -----to protect them -----from THEMSELVES

11:18:03 am

J

I know i learned it a hard way about bf needing a mother because im not and will not be one for guy. I dont want to be messed up with my head with boy who doesnt know even thing about life

KS

11:19:14 am

jeevacation

and tells you he does

11:19:58 am

J

Well freud also said from our vulnerability comes strength.

11:20:39 am

He doesnt. He doesnt know single thing about struggle

KS

11:21:14 am

jeevacation

no , what he said was acknowledging it takes strength . for example you need to say I really need help. . that is strong , making believe you dont is weak

11:22:02 am

J

Yes meaning that.
