Free when you are

04:31:48 pm

Me call or you call?

04:43:28 pm

Had another very interesting and potentially important idea that would maybe interest Gov't too / possibly billg / national security

04:53:12 pm

Am on calls from 1-3 EST otherwise Let me know

04:53:44 pm

MW

Now good

04:54:12 pm

Another curveball - and maybe easy to fix w language - Larry says has to relate to drivers of cost for US health more than security of data

Seems like the data and information management is the biggest cost saver across all aspects

05:22:22 pm

Are you free
Have 10 minutes

08:12:53 pm

Then stuck till 9pm

08:13:06 pm

MW

Yes

08:25:06 pm

good luck

10:58:03 pm

[REDACTED]

Not sure will work depends how Rory is feeling

11:24:20 pm

MW

Dad first
Super important to him, and me

MW

Ugh

01:43:58 am

[REDACTED]

and?

01:40:58 am

o

[REDACTED]

????

07:08:10 am

result??

11:53:05 am

o

[REDACTED]

He says scope too narrow

03:10:18 pm

MW

5 hours

03:10:45 pm

[REDACTED]

i thought larry wanted narrow , encryption health info

03:11:09 pm

[REDACTED]

I told him that

03:11:22 pm

I think I know how to write it

03:12:00 pm

Issurs in domestic health to include

Issues in medicine include ...

03:13:22 pm

MW

Was super fun

03:14:23 pm

[REDACTED]

great

03:14:51 pm

MW

[REDACTED]

Beyond

03:15:33 pm

[REDACTED]

If you are free in about 15m will
Call you

04:12:17 pm

Free
