I wish it were in the millions. It's more like what to do with my 6 month salary.

10:29:01 am

He can't donate anything anywhere related to me as long as larry and Melinda around.

10:29:29 am

when will you see him

10:29:47 am

I will keep trying and if I do an amazing job this next few months he may be compelled

10:29:51 am

Larry says I can work from anywhere and should be using some time to look for next job

I thought maybe MIT for now

10:30:33 am

when will you see him?

10:31:06 am

Don't know

10:31:29 am

Maybe this coming week

10:31:33 am

As discussed I have to find something outside bill going forward for all the reasons you know

10:32:17 am

Would love to push on what I understand about vascular disease - either by creating new types of catheters or by exploring mechanisms in vascular plants that could be translated into humans

10:34:14 am

If boyden could give me some time and space that would be fantastic

Can he be super creative and do a POP UP lab w me for a few months or something like that?

Will need to find funding.

Bill says he can't do things with me.

10:35:17 am

you SAID Oh that would be great! I have to be in seattle w bg from tmr to April 29 but can go week of May 1? with bill or not?

10:36:12 am

[REDACTED]

He asked me to come and join a few mtgs

10:38:04 am

that does not sound promising. I will ask ed boyden. ask bill if he would support the idea of you spending more time at MIT

10:46:09 am

[REDACTED]

Ok maybe will ask him if I can work these next 6 months from Boston

11:23:24 am

11:23:45 am

[REDACTED]

11:23:48 am

[REDACTED]

11:25:14 am

Doubt it though

11:40:40 am
