so those answers would help

07:43:53 pm

[Redacted]

The investigation (or investigations?) weren't about me. I don't know much more.

07:44:53 pm

[Redacted]

so far what you provided frankly, i will not even consider as an answer. As i told you , i was told that it hinged on you not being an employee therefore falling outside the very rules they quoted. hope they are not trying to be clever. not a good career move for them

[Redacted]

I can ask HR and integrity to write notes if it helps but not sure who to address to or what exactly to say? I was never accused of anything.

There are many many enemies of jim and the Bank

07:46:02 pm

[REDACTED]

not sure , why anyone would be hesitant to add and the result would have been the same. blah blah

07:46:24 pm

OC

[REDACTED]

Well if I ever need a different letter or somewhere to send I can ask.

07:47:13 pm

Not sure there is anything I can do but let me know if you think of anything and thank you

07:48:43 pm

Mostly I just want to do good stuff and stay under the radar

07:49:13 pm

[REDACTED]

Ugly stuff out there!

07:49:22 pm

[REDACTED]

yes, get them to state what i suggested , they can make it to the media lab .

07:49:39 pm

OC

[REDACTED]

Am I applying to the media lab?

07:50:44 pm

The HR VP says send him drafts of any and all things I need and he will do what he can. Including make calls.

07:51:22 pm

[REDACTED]

He says next week fine if I want

07:51:55 pm

[REDACTED]

id rather it be to somewhere we control. I can live with an email today from the investigator that states what i have asked for.

07:52:11 pm

oo

[REDACTED]

They don't work over the weekend and all they will do is resend what they have already sent - but I can put together a draft and see from there

07:53:41 pm

Does it help anything to keep pushing or is lost cause

07:54:41 pm

[REDACTED]

I don't want to do ANYTHING public

07:54:52 pm

[REDACTED]

leonard just sent you an email. ? he is working

07:54:55 pm

oo

[REDACTED]

He sent me the mail he had sent before.

07:55:10 pm

[REDACTED]

you've been on the phone with he HR guy, he is working. it is a two sentence. addition

07:55:56 pm

oo

[REDACTED]

I'm so tired and beat up over something bigger than me

07:56:00 pm

In order to change the letter HR and Integrity have to agree

07:56:20 pm

For the Bank that takes days

07:56:32 pm

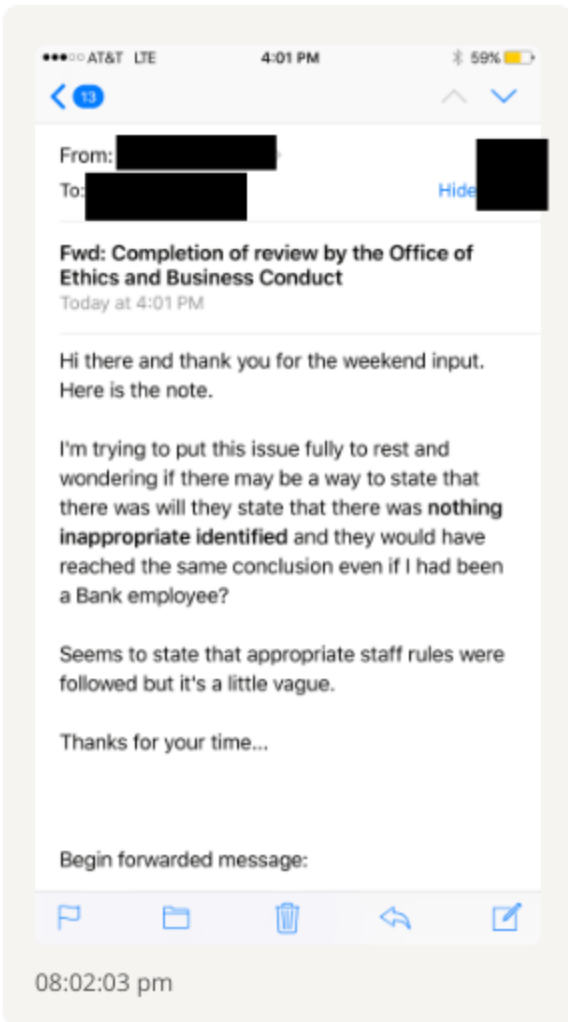

why can't the investigator just send you two sentences today. makes no sense

07:57:20 pm

✓ Sent

08:02:03 pm

Let's see

08:02:29 pm

They will want to know why I need on a weekend and why this is urgent.

08:02:43 pm

But HR VP says call him anytime if it's urgent

08:06:06 pm

He will talk to whoever he needs to
