Haven't heard anything back
Just home from work
Am going to try to sleep
Not on call this week shouldn't be so hectic
05:01:18 am

My former colleague who was chief of staff send me The Financial Times today
reporting that the world bank staff pushing for open and transparent process for new
president etc etc - its a hornets nest over there yuck
05:02:24 am

THANK YOU for all your help
05:02:49 am

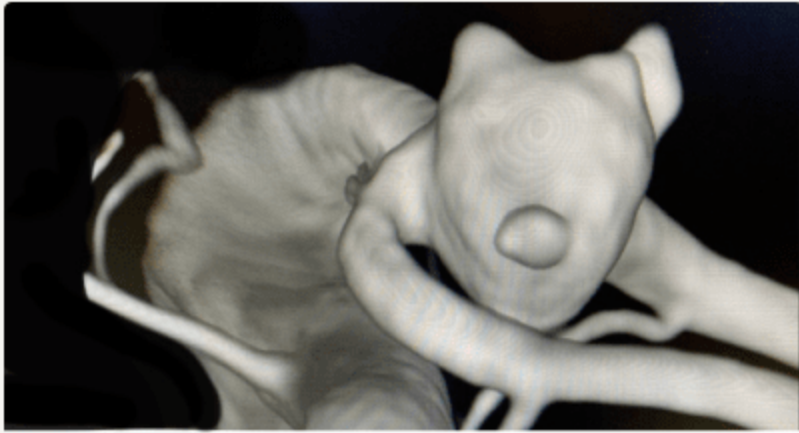

No need to get back to report er. Just put it of
06:07:39 am

You won. Don't snatch defeat from the jaws of victory.
11:44:35 am

So far nothing back from him so hopefully that's how it will stay
02:43:24 pm

Let's hope he doesn't get back to me at all. This is the aneurysm that ruptured
yesterday morning in the middle of our case. Not as cute as a squirrel for sure.

Help
Reporter back

04:02:45 pm

These just aren't true

I traveled to same cities but not with Jim

Like I went to Davos with Gates team one year and another i went as the chair of the brain council

And Jim went to gates foundation to give a talk and I was there because It was my quarterly check in etc

And dining alone w Jim seems like a weird accusation because we all sat in an open space big room and there are tables everywhere but it isn't alone it's just in the same big open room

04:06:41 pm

And the Bank travel team picks hotels not me I've never stayed at the ritz in manhattan we had an event in westChester and we stayed at the ritz there but i shared a room with another person (not Jim!) and i suspect they picked it bc it was closer to the event but I don't know they didn't tell me

04:15:18 pm

I did have lunchtime one on ones with him in the big open space it's like an office with 20 chairs but it's not alone

04:16:27 pm

I went to a few places in advance travel for him to do delivery unit work ahead of his visit but not with him so ridiculous

04:17:21 pm

All of these facts can be refuted

I just sent you one of my travel emails from the world bank showing the Jeddah trip and history totally by policy

04:18:06 pm

I don't have access to all travel records or old world bank emails except for ones that were bcc to gates account when there was shared travel

I think first ask jee.

Second make the time. You made it this far.

Third if it were me I would write answers to these but get on the phone. The one thing he says is "they thought these allegations serious enough to raise" is flawed because that isn't how "smear campaigns" work (his words I quoted). I would just be factual. I would follow up with the email proof and tell him just that—I only have the ones that went to gates too.

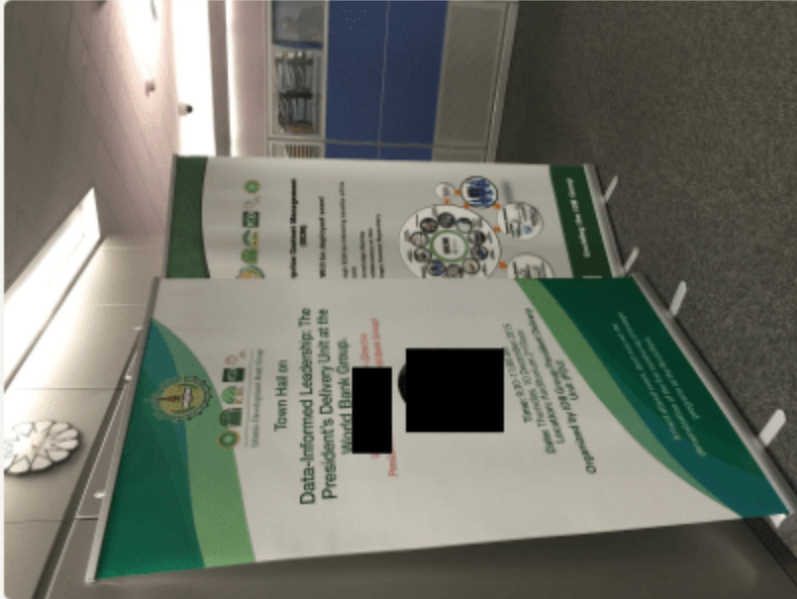

You can calmly talk about reporter being non salacious but if he is trying to be then he is missing the boat on salacious.

He doesn't know about the real affair that Jim is having with shalimar. That's the problem.

Ask jee.
