Exactly - he would I think if he could

But larry and Mrs. g very opposed to helping me

11:24:15 pm

bullshit

11:25:45 pm

Which part

11:26:30 pm

any excuse not to help you is just that total 100 percent bullshit

11:27:02 pm

He doesn't/can't seem to do anything without his wife or Larry's permission

11:27:35 pm

doesn't seem to have stopped him having you around that is total nonsense I. not sure.

11:28:38 pm

The. Why does he want to have me around?

11:29:11 pm

Men are so confusing

11:29:19 pm

Working On The agenda for our conversation next week

All science

11:30:08 pm

If you have any topics to add let me know

11:30:17 pm

no that he has you around , so he can do what he wants larry and melinda would vote against it. you are sounding delusional

11:30:33 pm

Well he told me that it would be very hard to be involved in anything with me because Melinda felt it would be risky. He told me that larry felt like if he was involved in something it needed to be bigger than me and not just me.

11:32:00 pm

That was a few months ago through - I havent seen him in a bit.

11:32:25 pm

sorry i have no patience for this

11:32:32 pm

Ok. Are you mad at me for this?

11:32:47 pm

Or should I not talk to him anymore?

Not sure what to do

11:32:59 pm

im never mad at you. I do not understand your stories. . when you tell a reporter , we didn't have dinner alone. but he gets reports that of course you did PEOPLE saw it. it puts you in jeopardy. I am frustrated that your stories change and that you are in danger , you ask me to hep and i text you to please stop talking . but you continue and say , we rarely traveled together.... no reason to do it

11:35:01 pm

oC

I told you we didn't have dinner alone. People may have seen us waiting to have dinner with bill.

Or they may have seen me walk into a restaurant where we had a team dinner but no one can say we had dinner alone that just isn't true.

11:36:16 pm

He asked me why we traveled together and I said we rarely traveled together. And it's not together. It's work. We have been to same cities and meetings yes I worked at the Bank. There is an entourage and a team. Why aren't people questioning the others in the team about travel with him?

It's very hard to prove things I didn't do. I can offer names of other people around or who should know truth. I can provide only documentation I have access to. Just feel like I'm getting beat up for something I didn't do and can't prove i didn't do.

11:40:21 pm

I don't have stories. I only can explain where I was - and what I did.

11:40:50 pm

What you don't understand is that onno ruehl sent this reporter the same package of accusations he sent to the board

11:41:30 pm

The reporter has all the things that onno sent and that the board investigated so no matter what the reporter had that

11:41:57 pm

if you and [REDACTED] are sitting at a table only the two of you at a restaurant and there are other people in the restaurant. you had dinner alone; !!! this is silly, an no he never asked you about travel not once. . you brought it up. not him

11:42:04 pm

We once sat in the waiting area of some Belgian restaurant waiting for bill and make suzman - bill was a little late

11:42:54 pm

and the cafeteria ?

11:43:12 pm

Me and [REDACTED] would monthly
Do a round table lunch some months we didn't do

11:43:36 pm

We would sit for a few minutes alone while others got their food it's a cafeteria and we each had to pay

11:43:54 pm

One month one person would
Come who was an expert in something and we would have a table for 8-10 and others would join

11:44:21 pm

please i am not in high school

11:44:26 pm

I'm just trying to explain

11:44:35 pm

this is nonsense

11:44:45 pm

!!!

11:44:47 pm

What do you want me to say

11:44:52 pm

there are many many people at the bank who say otherwise and believe otherwise , we can't ignore it. I am on your side 1000 percent and your answers make no sense to me. sorry

11:45:29 pm

so best if you just stop , and hope

11:45:45 pm

I'm not ignoring it

11:45:50 pm

I'm sad they think that

11:45:55 pm

they think that partially to do with your answers not their questions

11:46:10 pm

Who is they

11:46:20 pm

you need to stop saying silly things . . I am going into a meeting. talk tomorw

11:46:40 pm

Ok will send email when reporter reaches out

11:46:52 pm

If you think I am not good on phone then let's keep email going

11:47:06 pm
