My friend [REDACTED] just sent me an email Asking if I had any suggestions for political writers or editors to cover the DC scene.

Made me think that if this reporter Alex is a real reporter maybe I can recommend him? I can introduce him to Sue via email and let the. Take it from there. Benioff bought time and is looking for fresh ideas and people with integrity.

He needs a job yahoo is closing down. He has written for Newsweek and FP and other real publications.

Maybe at some point I can be kind. Or is kindness not an option with reporters?
