Checking in

07:03:08 pm

Just saying hi no news

07:03:18 pm

love in the late arterial phase ...

Rare to catch this angle on axial but pretty

10:33:45 pm

Love in the axial plane

10:33:54 pm

Terrible vasospasm

AI generated placebo
11:19:01 am

Looks like not giving the yahoo reporter air, worked at least for now

Very cool
02:34:02 pm

Cheaper than medicine
Less side effects 😊

Not sure a Jim Kim story would be newsworthy at this point. Can't see another timing window for reporter.

What are your thoughts

02:35:39 pm

Yes, I think you're suggesting a re-victimization was a death blow

I got asked to be the keynote speaker at an international women's day event

It's sponsored by the biggest medical device company in the world called Medtronic

Can't figure out a theme

Was thinking resilience

03:08:30 pm

Has to be woman focused but not over the top whining

03:09:05 pm

And talking about myself always feels ridiculous

Bothers me when I go hear a lecture and someone talks all about themselves

That's a very solid piece

I'm sorry that this has become more about the politics of Acosta than anything else

What has the response been like today?

04:14:12 am

MW

Very positive. But. Perceptions are hard to change

Wild case today

01:19:06 am

That's a big vascular malformation with vessels shared from brain to skull and even neck

Tricky to untangle

Yes, creating an answer giver. Find me some faces that you would take advice from. . ? so far good looking men do not qualify. Women say attractive but untrustworthy
