Wanna call? All your stuff is in and my stuff removed as per our call. The line about them providing a letter is taken out as the rest of the clause says if the donor requests and it would seem awkward to require the foundation to send a letter to donors asking them if they would like to request something.

Ok?

That is the only thing that is hanging. Otherwise done. Let me know asap. Thanks

I am also working on retirement letter so it cannot be seen as disparagement. Rather as offered for the benefit of the university.

05:23:10 pm

L

The donor is providing you the letter to send to donors. That was the idea.

05:41:26 pm

The university is providing sorry

05:41:37 pm

Lawrence

Don't understand. Please call. Want to get this back to university today.

05:42:29 pm

L

The university will send you a letter to forward on to donors. As part of this contract.

05:43:19 pm

It was th insert into a Childs wheelchair.

05:46:18 pm

Lawrence

Was that for me?

05:46:37 pm

L

No
05:46:44 pm

Lawrence

Ok
05:46:50 pm

Nancy just retread contract. Very First line defines asu to include abor. We can't sue them. "Collectively asu". Look at it.

06:16:12 pm

Should we ask for asu just to be asu or do we give in?

06:23:53 pm

Collectively is wrong. I just checked my contract. I am employed by asu not abor.

Just landed. Checking.

01:27:11 am

I think I can frame the origins donation thing in a way that doesn't mention names. I think we can get everything. Phone service bad here I guess.

I am very happy all told.

01:58:16 am

"Lawrence krauss will provide a list to the foundation of all known major donors of at least \$2500 from the last year as well as donors over \$500k within 30 days to the asu foundation."

02:02:18 am

L

Thx

02:02:26 am

10:16:01 am

Lawrence

12:01:38 pm

Nothing from asu yesterday. They must still be negotiating with foundation people. I leave hotel in 3 hours for the airport lounge and fly to Germany in 5 hours.

04:19:49 pm

I will say that he will inform them of the non-profit he wants to move it to within 90 days.

04:26:58 pm

Emailed it.

04:42:41 pm

L

Do you know a publicist who we might hire to manage things after the signing etc?

Lawrence

So. They bought the language for origins. Only change is getting rid of the date of my retirement from their announcement. It should go back and am ready to sign if you agree. You have most recent version by email. They also want to release all the provosts determinations right away. I think we can argue that the one other than Australia defames my exec assistant so they should not release it. I am working on a redacted version of my appeal stuff taking out all names and identifiers. Anyway am in Germany and can talk whenever you want.

07:22:43 am

So gonna nap if my room is free and then am psyched about signing today.

08:00:35 am
