Do you have any insider info on potential Isis attacks in US? Should we be worried about NYC or Boston right now?

Subway
09:59:52 am

Does that affect anyone who isn't taking subway

12:20:37 pm

Yes

12:23:57 pm

In what way

12:24:14 pm

How do we avoid

12:24:17 pm

Between now and mid Jan . Always have an exit .

12:25:35 pm

If a bomb goes off inside a subway will that cause an explosion above ground too?

12:26:09 pm

Meaning will the street above the subway explode as well

12:26:24 pm

No

12:26:34 pm

So it will only directly affect those inside the subway

12:26:49 pm

So we should not take any subway between now and then

12:26:57 pm

Winter coats enable people to hide things

12:27:24 pm

Very true

12:27:49 pm

Should we be worried about Harvard as a threatening location?

12:28:13 pm

Beware shvarskellars

12:29:05 pm

I thought only Muslim?

12:29:55 pm

Is Isis interested in Harvard realistically

12:30:06 pm

You mean applying for admission ?

12:30:30 pm

No I mean in staging an attack on campus

12:30:47 pm

Nob
12:31:01 pm

No
12:31:06 pm

Ok good
12:31:15 pm

Hopefully we will all be sage if we don't take subway
12:31:35 pm
