12:23:49 pm

HF  
Urine was negative. Waiting for semen cultures.  
12:24:19 pm

[Redacted]

i clearly have an enlarged prostate. either inflammation or infection. after culture results . do you suggest rod in pookie or mir  
12:27:26 pm

mir  
12:27:30 pm

MRI  
12:27:35 pm

Harry Fish

Ultrasound tomorrow  
12:27:56 pm

HF  
10am  
12:30:08 pm

Ok

12:33:05 pm

I have scheduled an mri of prostate for tomirw night . Ant results back from cultures

11:06:41 pm

Harry Fish

Semen bacterial cultures were negative. Waiting for 4 other cultures. See you tomorrow.

Call me

09:30:27 pm

10:55:18 am

On thigh this morning

10:55:42 am

Harry Fish

HF

You have to see a dermatologist today. Do you have one?

10:57:20 am

[REDACTED]  
I think I use a guy on park and 69

10:59:58 am

o

Harry Fish

HF

In route to LA. Will call you when I land.

11:02:05 am

Harry Fish

HF

Can you forward me the CT results?

12:29:54 am

[REDACTED]  
yes will do. . thanks

12:32:03 am

o

Harry Fish

HF

Great. How's the urination now that you stopped the decongestant.

12:32:45 am

[REDACTED]  
better but not entirely lets see

12:33:48 am

o

Harry Fish

HF

It's gonna take weeks to get back to normal. But it should get better daily slowly

12:34:28 am

I spoke to the mount sinai people , they also hired jeffrey mechanic.

12:34:45 am

Blood showed slightly elevated eosinophils and small blood in urine

10:42:31 am

Harry Fish

Eosinophils means allergic reaction. Can you forward the blood and urine results to me?

02:02:13 pm

FYI
