Sneaky look at the bottom where it says ' update contacts' [REDACTED] is a guy who I went to date with a few times but no bF and GF but they assume it by pix he sent on my email when we went out together so it means they went trough all pix on my email so I worry about pix w you or related to you that might be used against you... Sorry I am probably overthinking but I couldn't sleep last night

04:15:37 pm

I found the exact address they logged in from so I wonder if it is possible to catch them

04:17:58 pm
