We are in the media room downstairs and have the 1Ds. We will start reviewing now and try to knock them out - there are 14 in total.

Subject: ELSUR - Evidence review

Good afternoon, Team,

We are being tasked to review ELSUR material. Please prioritize the cases as follows:

- 50D-NY-3027571
- 31E-MM-108062
- 72-MM-113327
- 90A- NY-113327
- 90C-NY-3154599
- 9A-NY-3144791

This is a priority. Our guidance is to note/describe **IN VERY GOOD DETAIL** what we see and include a timestamp for videos.

Review MUST include:

1. what each item is, how large each item is, what's in it, etc. (5Ws).
2. when reviewing videos, note the length of the video, images of people, describe the image/who the image is of, and the time on the video the image is noted.
3. anything perceived to be pertinent.

Please prioritize and analyze how much content we must review. Please let me know if additional reviewers are needed and please let me know if you guys need anything from me.

Thank you in advance.

Best,

[REDACTED]
