Of course. Quick question – do you have phone numbers for these people? Especially the ones working at MCC right now, I'd like to be able to call them/their bosses and have them pop out for an interview. I talked with Carpenter who is going to be calling MCC to help coordinate this but, if you guys are already over there, it may be helpful if you can help facilitate. I don't want to send teams out across the boroughs for dudes at MCC right now.
