Dear Nicole

Hope this email finds you well and happy.

Amir, Reporty's CEO, told me that Alan called him and raise a possible inter=st of you to invest .5M if that's still in the original old valuation.

It is somewhat regretful that Alan raised it with Amir rather than with me. B=cause me and JE didn't tell Reporty people of our arrangements. However, I d=n't see any major damage at this point.

Anyhow, (if you've reached a conclusion that you're ready) we, JE and myself=held this opportunity open for you. Of course it will make you an investor a= the very first, old, low valuation.

Please let us know if that's the case and Darren and Udi (JE and my lawyers r=spectively) can carry it on from here.

If you need any further details for a decision to be made don't hesitate to c=ll me.

Best

Ehud Barak
