ok...all good...I don't have anyone at the moment needing an apt but we will have 2 long term guests coming up:

7J Cecile Sept. 6-30 (for surgery)

10B Yoni Sept. 4-Oct 19 (for medical treatment)

So it will be nice to have 8A available and to know 11P is close...We also have 3M but I don't know if [REDACTED] will be needing it some come Sept...thanks

Hi Lesley,
8A is ready, 11P not yet, still waiting for the curtains. But if we have to, we can use it, just let me know please, we will have to move a few things away.
Thanks.
