Yes absolutely, I had emailed it below. The Hess site is located in 1470 Madison Avenue SC2 level, between 101st
and 102nd Street. He should take the elevators two levels down (SC2).
Have a good day.

Good morning Vadesa...I know Jeffrey is to report to your "Hess site, SC2 level"...is the address the 1176 5th
Ave? Can you give me any more details (markers) to where exactly Jeffrey is to go so he can walk straight in to where
he is to be?

I have printed the forms and will have Jeffrey fill out today...may I please scan and email them back to you?
Thank you!

Hi Vadesa, Thursday Dec. 15th starting early (7am) would be a deal. He has nothing scheduled up to 12:30 (and even the 12:30 may not come through)...might 7am Thursday be possible? Once again, very sorry to be a pain...

Yes that is correct. We need an MRI of the chest, and the MR-venogram. They would ideally be done at Mount Sinai. We will put the orders into our system from our end.

When is he available to do the MRIs? Once we enter the orders electronically, someone from my office will schedule them.

Thank you.
