I unfortunately could not purchase the ticket like we did before (I purchased through my travel agent who is on holiday. I was told no agent has access to her account) I tried to purchase you a whole new ticket myself on line which YOU must PRINT for yourself at a Kiosk at the station...please give yourself an hour to handle all of this...you may have to go to the window with your new booking number AND your ticket you have. I tried to call Rail Europe all day long and-no one ever answered. We were on hold all day and could not e-chat either.

You can print your ticket with this booking number at the kiosk (I HOPE!)...if you have a problem go to the window and speak with an agent...take your ticket for the later train as well so you can show them...Your new train DEPARTS at **7:55am and arrives at 11:17pm**
