Well.. I did have a flight to arrive tomorrow, but when he told me I could stay for new years and come back on Saturday, which I think that's what I'll do, but I'm not sure if it's a test or not..  
He wants me to work on photos for the oval office and 4th floor, which I said I would come over on Saturday after I arrive, and then he sent me an email from Nov. 22nd that asked me to do photos, and just said "one month ago" so... I'm a bit paranoid now that if I don't come back tomorrow I will get shit for that..  
who knows!
