thanks..

Also, just wondering if you are still using 10N? [REDACTED] said she went to clean it this morning and walked in on someone sleeping. just wondering when she can go in and clean?

The furniture is most likely to be delivered here. I will be coordinating with her and trucker for exact time. I hope everyone is having a great time in Paris. And thanks Emad for the movers yesterday!

The below is the information for the driver who is delivering the furniture if Florida

You will need to contact the driver to get a time when he is due tomorrow

Thank you
