I am told it is difficult to say the exact start time for the Central Park shoot. It could potentially be over 4pm! Best to go in the morning however, Woody has changed the start time of the shoot to 8am... We will have [REDACTED] meet you at 7:30am at your apartment and then go on to the shoot with you...it may wrap up as early as 10am! It is a 'play it by ear' scenario!

But if the Central Park shoot starts not too early, say 4pm+, it would be even better

Hello [REDACTED] I have been asked you only attend the shoot tomorrow as it is hard to accommodate a guest for 2 shoots. I am told the Central Park shoot may be more interesting! They will have a horse and carriage for the shoot. But whichever is best for your schedule is what you should decide! Please let me know which shoot you would prefer to attend. Thanks, Lesley
