Hi team,

Below is a chart with some data from the CPB records.

1. It looks like CBP's first record for [REDACTED] flying to the US is in 1997 when she is [REDACTED]
2. GM flies to London several times, including 2 trips when [REDACTED] is [REDACTED] years old (July 20, 1993 and November 6, 1993) and then again when she is [REDACTED].
  - a. Rodgers's flight log says that Maxwell is on a flight on July 24, 1993 from SAF to CMH
  - b. Rodgers's flight log says that Maxwell is on a flight on November 10, 1993 from TEB to PBI
3. There is one trip when Maxwell flies from Cincinnati to Paris on 9/9/1994 ([REDACTED] is [REDACTED] years old at the time) and the next thing I can see from the CPB records is GM returns to NY on 12/18/1994.
  - a. Rodgers's flight log: 9/10/1994 says that JE and GM flew from CMH (Columbus, OH) to PBI
  - b. Rodgers's flight log: 9/22: JE, GM, and 2 others fly from TEB to DCA
  - c. Rodgers's flight log: entries in late November show JE and GM on flights together
4. Epstein seems to be in London on 12/8/1994, but I cannot tell when he returns.
  - a. From Rodgers's flight log, it seems like there are a few flights in December 1994. Maxwell is not on those flights.
    - i. 12/10: JE, [REDACTED], [REDACTED], TEB to PBI
    - ii. 12/16: JE, PBI to TEB
    - iii. 12/21: JE, [REDACTED] Rupert, and one other name (I can't read the name but it is not GM), TEB to PBI

Bates stamp	Flight records
SDNY_GM_00000799-SDNY_GM_00000805	JE flight records – 2016-2018
