I see that you have a meeting planned with ██████████ z from 1230-130 that conflicts with this. Would you like me to bring that up with ██████████ and see if he wants to do another time?

Hi all,

██████████ asked me to schedule a meeting from 12pm-2pm tomorrow in the 8th floor library to discuss the MCC/Epstein case.

The meeting will include the PC chiefs, the MCC team, and the folks visiting from DC/main justice.

It's on all of your calendars!

Thanks,

██████████
